

Revolution LGR Dehumidifier

Compact, state-of-the-art technology. Stackable and easy to transport, the Revolution's space-saving design lets you bring high performance drying power to every task. Its i-Series smart controller delivers maximum performance in all conditions. Rugged rotomolded housing and durable construction ensure long life.

FEATURES

- Small, light Xactimate "Large" category dehu – more water removal than units 2–3 times its size!
- Delivers "Large" dehu performance yet fits where others don't – crawlspaces, bathrooms, kitchens, etc.
- Control panel displays inlet and outlet temp and RH plus grain depression in real time
- Secure, compact stacking – transport multiple units on a handtruck
- Fastest access for cleaning and maintenance
